SUMMARY

I'm Saurabh Tiwari, an innovative front-end developer with a keen eye for crafting captivating websites and web apps. My passion lies in creating responsive and pixel-perfect digital experiences, ensuring the utmost user satisfaction. Embracing the ever-evolving world of web development, I continuously strive to push boundaries and shape the digital landscape. Join me on this exhilarating journey, and together, let's create a remarkable online presence.

EXPERIENCE

Front-End Developer Rubico IT Private Limited

March 2022 - September 2023, Haridwar

- Understanding the project by asking questions, requesting information, identifying challenges, and offering suggestions.
- Created and implemented several modern pixel-perfect web applications using HTML, CSS, Bootstrap, SASS, and Javascript, ensuring their proper functionality and performance optimization on different devices and platforms.
- Investigated and resolved bugs and errors with user experience in mind, resulting in a decrease in the time needed for troubleshooting.
- Ensured that the layout of all webpages was dynamic and clean, and recommended improvements if necessary.
- Mentored junior members of the Front End team and trained them in growing technologies.

PROJECTS

SIL Chatbot

Rubico IT Private Limited • September 2022 - September 2023

- Description- SIL Chatbot is a perfect tool for building chatbots that help increase sales, improve customer support, and automate followers' communication. It can tell customers about your business, answer their questions, and recommend relevant options per their requirements.
- Responsibilities- Developed the front end of Web Applications using the latest web technologies like HTML, CSS, SCSS, JS, Bootstrap, and Angular's prebuild components.

DavidKCompany

Rubico IT Private Limited • July 2023 - August 2023

- Description- DavidKCompany provides nursery representation throughout Indiana, Michigan, Ohio, Kentucky, and Nashville. It helps you partner with each grower and gives you full access to a diverse palette of plant material.
- Responsibilities- Worked on the complete design of the project using technologies like HTML, CSS, Swiper.js, and WordPress builder (i.e. Divi).

Business Connect

Rubico IT Private Limited • May 2023 - July 2023

- Description- Business Connect is an e-commerce platform with a wide assortment of essential and environmentally safe, life-enhancing products related to water treatment, filtration, sanitation and hygiene to benefit families living in crisis in developing countries.
- Responsibilities- Worked on the complete design of the project using technologies like HTML, CSS, JS, and WordPress builder (i.e. Elementor).
